

Collari fissatubi TZR/TXR

Clip collars conduit TZR/TXR

disegno dimensionale / reference details

Settori di Impiego / Areas of application

Caratteristiche / Characteristics:

I collari TZR/TXR sono costruiti in acciaio zincato o INOX AISI 304. Servono per il fissaggio a parete dei tubi sia metallici che in PVC

The clip collars TZR/TXR are made of galvanised or STAINLESS STEEL AISI 304. They are used for fixing of metal or PVC conduits on walls

Collari in acciaio zincato TZR

Clip collars galvanised steel TZR

Codice zincato Galvanised Code	Tubo Conduit Ø	A	B	D	L	b	Confezione Package
